Art: 540 of the M.S.R having been amended, it is a question whether art. 541 should be retained or omitted.

Under 541, the Civil Asstt: & the Dist: Commandant are entitled to take by rail at Govt: cost a Carriage & two horses; but in accordance with the amended art: 540 of the M.S.R, they will be entitled to take a Carriage & four horses, so long as they draw above Rs: 1200. At present, the pay of the Civil Secy (Asstt:) & that of the Dist: Commandant is Rs: 1700 and this is personal to them.

The Hon'ble Mr. Hawkins permits the Dist: Commandant and the Military Asstt a Carriage & 2 horses without any sanction of Govt and as a matter of course. As both these Officers draw 1700 & all emoluments (Rs 1700 for purpose of Calculation of pension) the Scale is

prion is covered & revised by 540.
As a matter of fact unless the rules of the M.S.R. are applied to Local Officers as being less favorable as 541 is for the benefit of the Chief Commandant only. If this article is deleted, the Chief Commandant like others will have to obtain sanction of Govt each time he wants to take his Conveyance horses at State Cost and this sanction can be given only when it is in the interest of the State. If the intention of Govt is to bring the Chief Commandant also within the purview of 540 and deprive him of the general power he now has of taking Carriage Pair at State Cost as a matter of course there is no objection. In fact it is not known why a special Concession in the case of this Officer at all is necessary.

In my opinion Art 541 M.S.R. may be now expunged as there is no apparent reason to treat the two Officers referred to therein differently from other heading Dept^{ts} — In fact there is no Military Asst^{ts} now & the Chief Commandant's case may come under Art 540.
